

Accommodates two 1165mm x 1165mm pallets side-by-side and 3% more capacity than standard ISO containers for non-palletised cargo.

Delivering extra internal width and length, our CPCs maintain the external dimensions of standard ISO containers to ensure full intermodal compatibility.

### Key features

- Full ISO-strength containers
- Reinforced bottom side rails (40' x 9'6 version)
- Marine ply or bamboo flooring options
- Guide rails and 2.4m wide door opening for easier and faster loading and unloading
- Full intermodal compatibility
